

Earls Colne Neighbourhood Plan

The parish council needs your help and support to develop a Neighbourhood Plan.

The Neighbourhood Plan will allow the village to have more say in the location and type of new housing and the expansion of local services (education, health and recreation) to adequately serve a significantly increased population

If you would like to know more about how you can take an active role in helping to develop the Neighbourhood Plan, contact Angela Emerson (Parish Clerk) on 224370 or clerk@earlscolne.org

This is a unique opportunity to influence the future of our village, but it can only happen with the full support of the local community.
