

## **Neighbourhood Plan**

### **Brief Update for Parish Council Meeting – 15<sup>th</sup> September 2021**

#### **Landscape Character Assessment (LCA)**

- Our consultant (Bobby Browne of Wynne Williams Associates) is now working on the LCA and we hope to have his draft report within the next few weeks.

#### **Design Code**

- Following the initial meeting with our consultant (Alejandro de Miguel Solano of AECOM) on 17th August work has now commenced on the Design Code.
- It has been suggested that the code will consist of the following three parts:
  - Section 1 - Introduction and initial analysis of the area
  - Section 2 - Design vision and development proposals in the area
  - Section 3 - Design vision categories and detailed design codes
- 

#### **Long Term Vision**

- It is anticipated that a first draft of this proposal could be ready for presentation to the Parish Council in October.
